RFID PPS ROUND LAUNDRY TAG

Product Picture
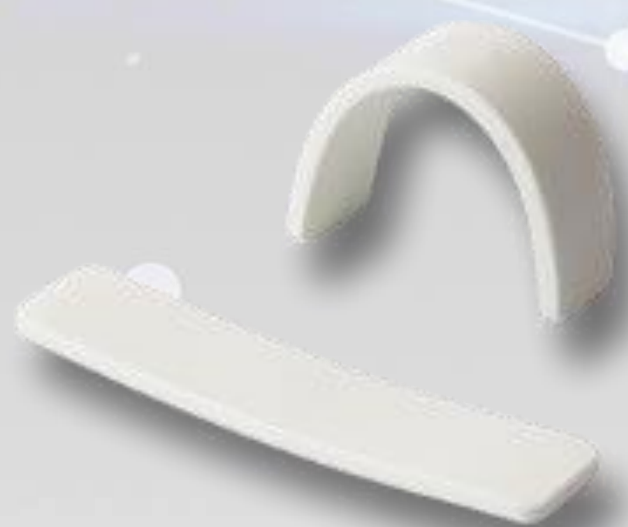

Physical Parameters	
Products size	55*10*2.2mm
weight	1.5g
materials	Environmental silicone
Color	Blue, red, black, white (others customizable)
Craft	Logo printing, laser number printing
Environmental parameters	
Working temperature	-40~+160(160/20minutes)
Storage temperature	-40~+160(160/20minutes)
Technical parameters	
Working frequency	840~960MHZ
Chip	Alien H3
Protocol	ISO18000-6C,EPC Class Gen 2
Lifelong	Normal wash 120 times (industry level:70 times)
Reading range	3M
Business application	
Application field	Laundry room, hotel, school, quality control, inventory management etc.
